1.1 Disclaimer of warranty

- 1.1.1 This Website is provided on an “as is” basis without warranties of any kind, either expressed or implied including, but not limited to, warranties of title or implied warranties of merchantability of fitness for a particular purpose. The information contained in this website is for general information purposes only. It does not constitute professional, technical, financial or other advice to any visitor to this site and must not be relied upon as such by any person whatsoever.
- 1.1.2 The authors/creators of this site have tried to ensure that the information contained herein is correct, but errors or inaccuracies may exist or the information may be incomplete, unreliable or no longer up to date. Therefore no warranties of any nature whatsoever are given and any liability to any person in respect of anything and in respect of the consequences of anything done or omitted to be done, wholly or partly in reliance upon the whole or any part hereof, are disclaimed, including and without limitation, any contractual, delictual, direct, consequential or financial damages or losses.

1.2 Limitation of Liability

- 1.2.1 The use of the AfriGIS'S Website is at the visitors own risk. On no account will AfriGIS or any person or entity involved in creating, producing or distributing the information and or software available on the AfriGIS Website be liable for any damages including, without limitation, direct, indirect, incidental, special, consequential or punitive damages arising out of the use of or inability to use the AfriGIS Website. The visitor hereby acknowledges that the provisions of this paragraph shall apply to all the content on the AfriGIS Website.
- 1.2.2 This limitation of liability applies to any damages or injury caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication-line failure, theft or destruction or unauthorised access to, alteration of, or use of record, whether for breach of contract, tortuous behavior, negligence or under any other cause of action.

2 Geoterraimage License terms

2.1 License and Copyright

- 2.1.1 The data supplied are licensed by GEOTERRAIMAGE to the Client, but remains the property of GEOTERRAIMAGE as is protected by copyright laws. The data can be used by the client as per the conditions set forth in the offer. The client does not obtain any ownership or intellectual property rights in the data. "Client" refers to the South African Department of Environmental Affairs. The following shall always be clearly mentioned: (© GEOTERRAIMAGE – 2014). OPEN DATA LICENSING (PERMITTED & INTENDED DATA USE) The Department is granted an Open Data User license, which allows the Department unrestricted access to and use the supplied data. The data is defined as the 72 Class GTI South African National Land Cover Dataset (2013/2014). The Open Data License allows the Department to distribute the data unrestricted to third parties with the full understanding that the Department and third parties may not use the data to develop new products that will compete directly with GEOTERRAIMAGE existing or "in-progress" commercial data products; and that the Department and third parties accept and understand the stated Data Copyright, Licensing and Liability conditions.

2.2 Liability

- 2.2.1 The Client has to verify prior to his commitment, the adequacy of GEOTERRAIMAGE datasets and products to the specific data and analyses needs as set out by the client. GEOTERRAIMAGE will in no event be liable for any direct, indirect, incidental or consequential damages including lost savings or profit, legal fees, lost data, lost sales, loss of commitments, business interruption, including loss of or other damage, resulting from its datasets and products, whether or not GEOTERRAIMAGE has been advised of the possibility of such damage. This includes damages incurred by the client or any third party. GEOTERRAIMAGE datasets and products are processed from sources like topographic maps and satellite images. The quality of these sources is not the responsibility of GEOTERRAIMAGE. The data and data products are provided "as is", without warranty of any kind, either express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.
